**Questions 31 to 35. Read the passage and choose the best answers.**

The Empire State Building is a skyscraper in New York City - at the intersection of Fifth Avenue and West 34th Street. Its name is derived from the nick name for the state of New York. **It** stood as the world's tallest building for more than forty years, from its completion in 1931 until construction of the World Trade Center's North Tower was completed in 1972. Following the destruction of the World Trade Center in 2001, the Empire State Building became for the second time the tallest building in New York City. The Empire State Building has been named by the American Society of Civil Engineers as one of the seven wonders of the modern world. The building and its street floor interior are designated landmarks of the New York City Landmarks Preservation Commission, and confirmed by the New York City Board of Estimate. It was designated as a National Historic Landmark in 1986. In 2007, it was ranked number one on the List of America's Favorite Architecture according to the AIA. The building is owned by Harold Helmsley's company and managed by its management/leasing division Helmsley - Spear.
