Hava MATH

My family have a lot of fun at festivals in a year. On Women's Day my father and I give my mother and my sister flowers and presents. On Children's Day, my parents take me and my sister to a toy shop and buy new toys for us. At Mid-Autumn Festival we eat moon cakes. On Christmas Day my father wears a Santa Claus costume and gives us chocolate and presents. On New Year's Eve we watch firework displays. At Tet, we eat *banh chung* and give the best wishes to our relatives.

My favourite festival is Tet holiday. It happens at the first day of the first month in Lunar calendar. Before Tet, I help my parents with some housework. I clean our house, then decorate it with many flowers. I also help my mom prepare meals. During Tet, my family go and visit our grandparent, my uncles, my aunts, and my cousins. I receive a lot of lucky money. I give all of it to my mom. During Tet holiday, I also can eat many kind of candies, sweets and fruit. I love them. I also love Tet very much.
